

VietSun Scholarships

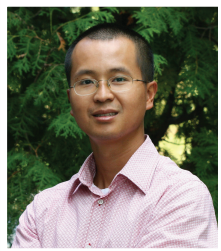

As education is an important value in our culture, 2014 marks the inception of the VietSun Scholarships - in partnership with Dr. Bao Vo of TMJ Sleep Dental. We strongly believe in supporting students in their endeavors to further education and expand knowledge.

Five 1st year university students who are entering their second year will be receiving the VietSun Scholarships.

We thank all the amazing students who have applied for the scholarships and wish you the best of luck.

We will be announcing the winners on August 16, 2014 at VietSun's Summer BBQ – 5250 Satellite Drive, Unit 24, Mississauga. More details will follow.

Special thanks to Dr. Bao Vo of www.tmjsleepdental.com for sponsoring \$10,000 toward the VietSun 2014 Scholarships.
